

Y1 Class Newsletter

English

During our writing this term, we will be learning and writing our own version of

'The Gigantic Turnip'

We will then be reading the story 'Dogger' and developing our description skills!

I cannot wait to read children's writing!

Maths

In Year 1 we will be deepening our knowledge of numbers up to 20. Children will sort, count and recognise numbers and number words in a variety of ways to further develop their understanding of place value. Children will also practise finding one more and one less of specific values.

Science

This term we will be learning about the human body. Children will be identifying and naming the different parts of our bodies and discussing what each part does. We will be focussing our learning on the 5 senses and how they help us in our day to day lives.

Message board

Hello! My name is Miss Ingamells and I am teaching Year 1 this year, I am so excited to get back into Key Stage One and I am incredibly lucky to have such a fun group. A bit about me... I love all things singing and dancing - so prepare yourself for the Christmas showcase (YAY!). I love to read, so story time in Year 1 will be daily, if the children have any books to share, feel free to bring them in!

This term we are also going to set up our class garden– if you have any seeds or bulbs you are willing to donate to Year 1 please send them in ASAP. Photo update of our beautiful garden pending...

History

This term we will be learning all about the history of toys and childhood.

I cannot wait to share all of the families' favourite toys.

Art

This term we are going to be creating spirals and mark making with different materials.

We have already been out in the playground drawing massive spirals using chalk.

I love art and cannot wait to share the love with Year 1!

RE

This term in RE we will be looking at stories from all religions and how they tell us about the world.

We will learn what they can teach people and what different people believe.

Y1 Class Newsletter

Reading

I LOVE READING! We will be having story time daily in Year 1—hopefully more than once.

A chance to share stories and opinions as a class is super important and I cannot wait to foster an environment to do so.

Please share what you love to read with us:)

PE

This term Year 1 will be doing PE on a Monday and Wednesday. Please make sure your child has their PE kit in school and earrings have been taken out. If your child is wearing tights, please add a pair of socks to their PE kit.

Year 1 will be developing many skills this term including their ball skills through story telling and roleplay.

Homework

Your child will bring their home learning books on a Friday. Please make sure the task/s are completed and back into school by the following Thursday.

Books will be changed on different days depending on their RWI reading cycle. So please ensure your child has their reading book and diary with them everyday.

Children will also bring home a 'reading for pleasure' book they have selected independently from the school library for you to enjoy as a family.

Supporting Your Child At Home

Some things you might like to practise at home:

- Reading and writing tricky words- Tricky Words and Sight Words Song (youtube.com)
- Reading- <https://storiestogrowby.org/fairy-tales-for-kids/>
- Phonics games—<https://www.phonicsbloom.com>
- Maths—<https://play.numbots.com/#/intro>

I will stick the children's Numbots passwords in their reading diaries.

Interesting Facts About Y1

I was actually a Year 1 at Rauceby myself! In the same uniforms and classrooms as you will be.

If anyone understands, its me! Let's do this together.

To get in touch with me direct please contact:

Year1Class@rauceby.lincs.sch.uk

For general questions about the school day please contact the School Office:
