

## Y5 Class Newsletter

### English

This term we are continuing to learn new and exciting stories through Talk4Writing. Our aim for the end of the term is to write an amazing portal story that transports the reader into the setting through our fantastic descriptions. Towards the end of the term we will be looking at the Highwayman.

### Maths

We have been working hard already this term in maths, starting off with roman numerals.

Over the course of the term, we will be improving our place value knowledge and developing our abilities in addition and subtraction.

### Science

Our learning this term in Science focuses on properties of materials.

As a class we will be investigating things such as, what material would make the best coat for a snowman and why bridges are made of metal.

### Our Learning This Term

Hello and welcome to Year 5! I am so excited to be teaching your children this year and I can't wait to share all of the fantastic things we will be doing together.

During our transition day, we started our history topic by learning about Victorian artist William Morris. As a class we created a piece of art work that wouldn't look out of place in a Victorian home. We look forward to sharing more of our work with you as we move through the term.

### History

Year 5 have been very excited to begin our history topic this term on the Victorians.

We have started by learning about the industrial revolution and found out that children as young as five would be sent to work!!

### Art

In art Year 5 will be learning how to monotype print, inspired by the work of Kevork Mourad.

### RE

This term in R.E the children will be learning about Hindus and what they believe about life cycles. They will be developing their knowledge of Hindu gods and why they are important.

## Y5 Class Newsletter

### Reading

Our class reading book this term is one of my favourites, Another Twist in the Tale by Catherine Burton. This book is a sequel to the much loved classic, Oliver Twist. Other book recommendations—Charles Dickens'-Oliver Twist, Street Child, Berlie Doherty.

### PE

In P.E we will be developing our fitness and building team work skills in Tag Rugby.

Please ensure your child has the correct kit in school on Thursday and Friday for our P.E lessons.

### Homework

Children are expected to read at least 3 times a week and have this written in their diaries

Homework will be sent out on a Friday and will be expected back the following Friday
