

British Science Week - Poster Competition

GROWTH

One of last year's winners

The theme for British Science Week 2022 poster competition is 'Growth'. Your poster could explore a tadpole's journey into a fully grown adult frog, look at the ways population growth is affecting the planet, or anything you like which represents growth. For inspiration on poster ideas, have a look at the winners from last year's competition at: britishscienceweek.org

The judges are looking for:

- **Creativity in approach** – Innovative angle on the content or creative interpretation of the theme
- **Content** – Clear, accurate and informative about a STEM topic
- **Effective communication** – presented and communicated in an engaging way

The deadline for entries to Mrs Godson is 5th April 2022. We will then shortlist 5 entries from the categories below to be put forward to represent the school in the national competition.

Category	Age	
Early years	3-5	Nursery/Reception
Infant	5-8	Year 1 – Year 3
Junior	8-11	Year 4 – Year 6

Entries will be accepted on either A4 or A3 paper and must be the child's own work. Shortlisted entries will be scanned so please do not include 3D elements in the work.

Please include the name and age on the back of the work.
