

Calling all scientists!

We would love to hear from anyone working in *any* field of science – would you be willing to talk to our children about what you do? We would be delighted to invite you into school but would also happily arrange an online meeting to suit you.

Please contact Mrs Godson on Year5Class@rauceby.lincs.sch.uk if you or anyone you know would be interested in becoming involved in helping our children to learn more about the wonderful world of science.

Thank you
