

Tree Planting Family Morning

To celebrate the end of British Science Week, we will be holding a family tree planting morning on Saturday 12th March from 10am to 12noon on the school field. As well as enhancing the school grounds and enriching our environment, it will be a wonderful opportunity for your family to create a lasting reminder of their time at Rauceby. There may also be a chance to start work on the school garden. The trees are already here and ready to be planted but please bring your own tools if you can.

Refreshments provided.

Science week competition entries available on the day.

Please let Mrs Godson know as soon as possible if you are able to attend or if you have any questions: Year5Class@rauceby.lincs.sch.uk

We look forward to seeing you there!
