Sports Day

What an amazing day we had for our Sports Day this year. It was great to see so many of our families enjoy the morning with us. The children worked so hard, trying their very best at each activity. A huge well done to Red Kites who won the House Award this year!

Sporting Values

A huge well done to all our children who won Sporting Values Awards this year at Sports Day! And - of course - to our winning House Captains of Red Kites.

Rocksteady

Our Rocksteady concerts are always a highlight of the term ,, and this one certainly did not disappoint. We were treated to some amazing tunes by our four bands in school!

Get Me Out of Here

We could not be prouder of our Y6 who have had an amazing last term at Rauceby. Not only have they smashed it academically, their school prodiution of I'm an 11 year old - Get Me Out of Here' was incredible! They finished off the year with a fabulous trip to Ancaster Laser Tag and a picnic at Belton House. We wish all our Y6 the very best as they move on to their secondary schools. Rauceby will always remember you!

Summer Fair

Our Summer Fair was a huge success this year, in spite of the windy weather scuppering our inflatable plans! Our PTFA have worked tirelessly to get this event together - a million thanks to them for all their hard work. Thank you too to our brilliant sponsors who contributed to the event:

Istanbul Barbers
Willow Homes
Wright Vigar
Sleafordian Coaches
Warren's Vehicle Transport
Ambitions Personnel
Partic Motor Parts

Totals to date for trim trail fund:

Family donation: £340
Sports day: £387.40
50/50 prize donation: £120
Summer Fair: £1087.67
Year 6 performance refreshments: £180
Total to date £2115.07

This is a wonderful total and we are now able to go ahead with our trim trail improvements over the summer!

Our fabulous PTFA have also contributed a whopping **£4000** towards new technology in school. 42 new ipads have now arrived in school and will be taken off by Ark over the summer to get all prepped for next year. It is fantastic that we have been able to enhance our computing curriculum with these!

We are also spending over **£500** at Usbourne books thanks to your generous payments at this year's book fair and sponsored read. This means our classes and library will start the term with some lovely new titles to get stuck into!

Staff v Y6 Netball

What a competitive game we had on Thursday!
Both teams played exceptionally, but it ended in a comfortable draw!!

Goodbye Mrs Nemeiksas We will Miss You

HAPPY
Retirement!

Your Guide to Health Services While Away From Home

NHS

BE PREPARED
Treat aches and pains, coughs and colds at home. Stock up your medicine cabinet including pain killers, antihistamines, anti-diarrhoea and indigestion medicine. Order repeat prescriptions in plenty of time. Keep all medication, plasters, bandages and thermometers away from children.

PHARMACY
Pharmacies offer health advice and treatment for allergies, constipation, cold and flu symptoms, earache, fever, thrush and healthy lifestyles. A visit to the pharmacy could save you a trip to the GP. If you forget your medication while away from home call your usual registered GP surgery during opening hours and they can arrange for a prescription to be sent electronically to a pharmacy local to where you are staying.

VISIT NHS 111 ONLINE OR CALL NHS 111
Need health advice? Unsure which health service you need? Visit NHS 111 online or call NHS 111 - both are available 24 hours, seven days a week. Calls are free from mobiles and landlines. Typetalk number is 18001.

MINOR ILLNESS OR INJURIES
For treatment of burns, cuts, wounds or infections contact NHS 111 for the nearest Urgent Treatment Centre where an appointment can be made for you if necessary or they can provide you with advice and guidance by phone or video consultation.

GP
If you take ill while away from home contact your registered practice in the first instance where you can be offered a telephone or video consultation. If your practice or NHS 111 say it is necessary to be seen at a GP Practice you can register for up to 14 days while away from home or work. Your temporary GP will pass any details of treatment you have to your own GP. If you are staying for a longer period of time you should still ring your usual registered practice in the first instance and receive telephone or video consultation as a first step.

Top tips for keeping children safe online

As the Summer Term heads to the holidays, and September approaches, many parents will be facing the question "Should my child have a phone?"

Often young people only see the benefits of their new device...

- Consider choosing a 'dumb phone' or basic phones with limited features.
- Turn on broadband filters to provide basic protection from inappropriate websites.
- On a smartphone, use controls to limit chat functions, manage privacy settings & control what content children can access.
- Always set screen time limits to help manage and control device usage of your child inside and outside the house.
- Shut down mobile phones at least an hour before bedtime and charge devices outside of their bedrooms to promote better sleep.
- Develop digital rules for your family, stick to them and review them regularly as children grow to ensure they remain effective.
- Set a password in app stores to restrict what children can download on their devices.
- Discuss how suitable social media platforms are for your child & the potential risks vs benefits before creating accounts.

But as parents, we worry about the harms they may be exposed to...
